I now have a strong yearning to commence the charge I've been given to be all He created me to be. It's been said that the best and most beautiful things in the world cannot be seen or even touched, but must be felt with the heart. My heart was able to feel the beauty of Speaking by Faith by merely hearing "Faith" speak.

Dr. Faith challenges me, captivates my heart, and leaves me wanting more of what she has to say. Although there is always others in the room when I have witnessed Dr. Faith speak, it is as if she crafted her message specifically for me.
